Subject: unsolicited phone call

27/01/2006 12:51

Dear Sir,

There are many unsolicited advertisement phone calls by auto machine.

It is your dept duty to work out the solution and to get it passed by legislation.

Moreover if you are doing the survey, it is your duty to make it more publicity.

Looking for your reply to kcyip848@yahoo.com.hk.

I will follow up the case later.

K.C.
