[香港須履行國際責任嗎?](#)

Well, if HK has real universal suffrage like many other countries in the world, and if HK ppl are allowed to watch good free TV like anywhere else in the world, sure , why not?

But I do not see why the citizens in HK have to be deprived of ALL rights and to follow rules set up by the "international standard" only when the governe~~m~~nt sees it fits SAR governe~~m~~nt can go to he*I.

Thank you.
