Notes:

- (1) On behalf of the Government Logistics Department, the overseas ETOs assisted in the procurement of anti-epidemic items for the HKSAR Government during the Relevant Period to meet operational needs in the provision of public services.
- (2) Direct engagement means direct appointment of the contractor for the supply of the relevant anti-epidemic items in accordance with the internal procedures of the HKSAR Government. It is adopted for reasons of extreme urgency.
- (3) Part II sets out three contracts in respect of which the contractors have given express consent to the HKSAR Government to disclose the information as covered in Part I. For the fourth contract, liaison with the contractor is being made to seek its consent for disclosing the relevant contract award information.
